

Big Thank you

To all of you coming out this afternoon and those who have supported and continue to support the Music Club of Hollywood Florida all these years. We are glad that we are back in-person having free community concerts but are still aware of the on-going COVID pandemic that is still out and about. We will take precautions and assure all protocols.

We want to wish everyone a safe and happy Mother's Day as we will continue with music to uplift your spirits and promote the arts & culture in our community.

We would also like to thank the Mummers for their dedication to old-time music that we believe will be here for generations to come. The efforts you have made in weekly rehearsals, educating our next generation, entertaining at assisted living facilities and performing for organizations such as ours are uplifting, inspiring and give meaning to what making music is all about.

Contact *Audrey Mannoni* about attending weekly rehearsals in Pompano Beach at (954) 701-4022.

THE MUMMERS

Special Celebration

Sunday, May 8, 2022
Anne Kolb Nature Center
Inside Mangrove Hall

NEWS FROM THE DESK OF ROBERT COOPMAN

President of The Music Club of Hollywood

Dear Members and Friends,

Welcome back. This is our second concert at Anne Kolb Nature Center since the Tamburitza Orchestra, a Croatian ensemble performed for us in February. Our goal is to have a full schedule beginning in the fall.

Our grants to accomplished student musicians has been on-going throughout the pandemic so we achieved one of our primary objectives for the club. Here are the top three placements for 2022. We wish all students who auditioned this year very much success in endeavors.
